Liaison Services

A librarian is assigned to one or more academic departments on campus. I work with the faculty in my departments to:

- Build a quality library collection to meet departmental needs.
- Provide general assistance with finding information for research or teaching projects
- Serve as a resource for questions or concerns about the library
- Incorporate information literacy into your classroom

Ordering New Materials

To request the purchase of an item for the library collection, contact your department chair or the faculty member assigned to handle purchase requests in your area.

The following deadlines help to ensure that orders are placed in time to expend the funds by the end of the fiscal year:

- By **Nov. 15**, 50% of your library budget should be encumbered or spent
- By **Jan. 31**, 75% of the budget
- By **Mar. 1**, 100% of the budget

Professional Journals

New periodical subscriptions are considered in the spring. Please let me know if there are journal titles you would like the library to consider. Subscriptions are purchased from a central, not departmental, fund.

Our Journal/Magazine/Newspaper A-Z List lists journals available in the library or online. To access:

1. Go to the library home page at <http://library.webster.edu>.
2. Click on Articles/Databases.
3. Click on Journal/ Magazine/Newspaper A-Z List.

Online Databases

Library databases that support research in your field include:

- AnthroSource
- Gender Studies Database
- PsycInfo
- SocIndex

New in 2009:

- Counseling & Therapy in Video

More databases: <http://library.webster.edu/databases/database.html>

New database subscriptions are considered each spring. . Electronic databases are paid from a separate library account.

Information Literacy

I work with faculty to insure that students learn research skills that will help them become information literate. I can meet with your classes for an instructional session in the library, consult with you on assignments for the class, and help you plan units for your online classes.

To arrange for a library session for your classes day or evening, contact me at (314) 246-7811 or the Reference Desk at (314) 968-6950. The library has an electronic classroom with 24 student computers.

More Faculty Services

The library offers services to assist you in your teaching and research, including:
